# hanit®
# UENO 1 BENCH

## Minimalist Design, Maximum Usage

Searching for bench boards on the pure and simple Ueno bench will be a search in vain. The seat surface is moulded in the shape of seat ends but is one single piece. This makes assembly easy as child's play! In addition, the seat is flush with the sides – giving a little extra space when needed. Since the seat is slightly arched, rainwater flows off quickly. In short: Ueno is bueno!

**Material:**

hanit® Recycled Plastic

**Surface:**

Structured, grained

**Dimensions (W x D x H):**

130 x 46 x 48 cm

**Seat height:**

48 cm

**Weight:**

53 kg
